

*“When I receive my copy of The Partner Channel Magazine I always look at The List. It’s my first choice for finding applications for my customers and prospects.”*

– Rick Alvord,  
Unified Business Solutions, LLC

## **The List is a tool for finding solutions that are available from Microsoft Dynamics® Partners.**

The Partner Channel offers three versions of The List for your convenience:

- **The List: Magazine** is featured in The Partner Channel Magazine and distributed on a quarterly basis to Microsoft Dynamics Partners, Microsoft® team members, and industry influencers.
- **The List: Online** features the same content as included in The Partner Channel Magazine, but available in a downloadable PDF document at [www.thepartnerchannel.com/the-list](http://www.thepartnerchannel.com/the-list).
- **The List: Handbook** features the same content as each spring’s edition of The Partner Channel Magazine, but is printed as a standalone handbook and distributed annually at Microsoft’s customer conference, Convergence.

*“I am writing you regarding your Handbook “The List.” I want to say how helpful this handbook has been to me with finding the right solutions and contacts for my customers. We are reseller for all the Microsoft Dynamics products.”*

– Lu Ann George,  
Tribridge

## **About The Partner Channel**

The Partner Channel® provides sales, marketing, and leadership-focused publications and events for Microsoft Dynamics Partners.

Our core team and alliance partners have worked for, with, and on behalf of the Microsoft Dynamics Partner community for years. At The Partner Channel, a ‘Partner’ is more than a noun!

Since its inception in May 2003, The Partner Channel has produced 59 monthly e-Newsletters, 22 quarterly magazines, 17 versions of The List: Magazine, 7 annual Partner events, 3 versions of The List: Handbook, 3 editions of The Partner Channel Virtual Expo, and a partridge in a pear tree.
